REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 848

Mr. ADLER of New Jersey. Mr. Speaker, I ask unanimous consent to be removed as a cosponsor of H.R. 848, the Performance Rights Act.

There was no objection.

AMERICANS NEED HEALTH CARE FACTS FROM DEMOCRAT-MEDIA ALLIANCE

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, poll after poll shows that Americans reject the administration's health care plan, but the national media continue to downplay the results of their own polls.

For example, in its report on the new NBC/Wall Street Journal poll, NBC itself failed to mention that more people disapprove than approve of the way the President is handling health care.

President Obama says his health care plan is deficit neutral, but the non-

partisan Congressional Budget Office says the legislation will substantially increase the deficit.

President Obama says Americans' health care plans will cost less, but the CBO Director says the legislation will cost more, much more.

President Obama says "if you like your current health care plan, you can keep it," but an independent study found that most Americans will lose their current health care plan.

Mr. Speaker, Americans need the facts on health care, not the biased news from the Democrat-media alliance.

PAYGO

(Mr. PETERS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PETERS. Mr. Speaker, I rise today as a proud cosponsor of H.R. 2920, the Statutory Pay-As-You-Go Act of 2009. This important legislation will establish mandatory pay-as-you-go budget discipline, rein in deficit spending, and reduce the national debt.

In the 1990s, pay-as-you-go budget discipline was enshrined in law, and it led to record budget surpluses. After PAYGO was originally codified in 1990, total Federal spending as a percentage of GDP decreased each year from 1991 through 2000. After Congress let PAYGO expire in 2002, projected surpluses of \$5.6 trillion were transformed into record deficits. Passing the Statutory Pay-As-You-Go Act of 2009 will require Congress to make the tough choices necessary to get unacceptable high budget deficits under control and avoid passing today's costs onto our children, grandchildren, and future generations.

Families make tough budget decisions to live within their means, and the government should be forced to do the same. I urge passage of the Statutory Pay-As-You-Go Act of 2009.

HEALTH CARE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I agree with President Obama when he says there's a need for affordable health care.

Mr. Speaker, a trillion-dollar plan is not affordable, particularly when it leaves millions of Americans without insurance.

The Republican health care plan offers a solution for all Americans for health care access, affordability, quality, and choice. Under the GOP plan, medical decisions will be made by patients and their doctors, not a government bureaucrat such as the Democrat-proposed Health Insurance Commissioner.

□ 1811

Mr. FORTENBERRY changed his vote from "no" to "aye."

So (two-thirds not being in the affirmative) the motion was rejected.

The result of the vote was announced as above recorded.
